## About this guide

Stagecoach Supertram serves Sheffield with a network linking six park and ride sites with:

- the city centre
- rail stations
- shopping areas
- universities
- the Cathedral
- many popular sports and entertainment venues

Tickets are available on board all trams via the conductor, who can also help with any queries you may have. Information is also available at all tram stops, displaying up to date timetables, fares and passenger notices.

Tickets are also available at Travel South Yorkshire Information Centres and online at:

[www.supertram.com](http://www.supertram.com)

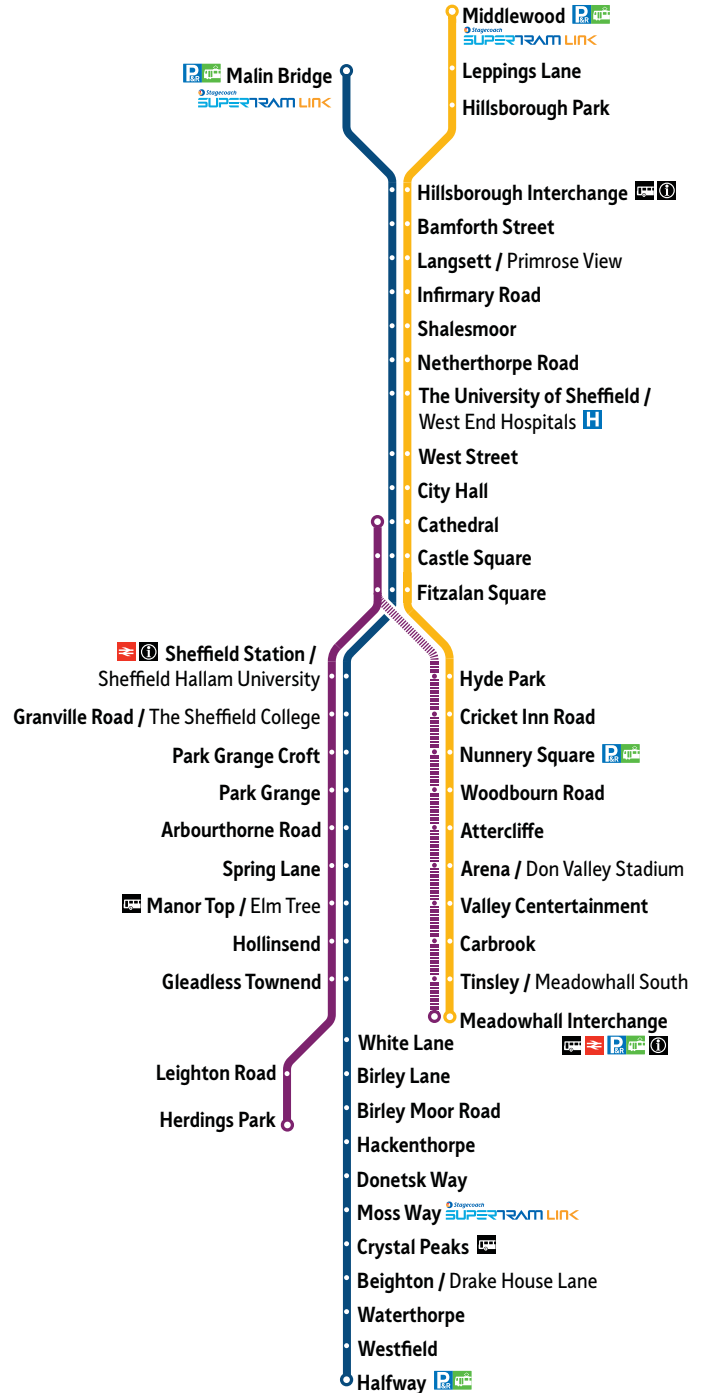

\*Whilst we make every effort to run as per the times shown inside this guide, changes to the services may occur due to unforeseen circumstances.

\*A penalty fare system operates on board Supertram. You must make every effort to tender your fare or valid pass to a member of staff. Failure to do so may result in a £10 penalty fare being charged.

**Tram Guide** – This guide contains information on how to travel on the tram network. The map shows destinations along the route and locations of tram Park & Ride sites. There are also summarised timetables for all three tram routes.
